

PUBLICITY MATERIALS

From time to time MPW College updates its literature and publicity materials (prospectus, magazine, website and social media pages). As a college we are keen to include photographs of our students and their artwork in the above. We also list the names of our A-level leavers in our Results and Destinations list and give details of our academic prize-winners in our prospectus and on the website.

Please sign below if you have **no objection** to the use of your son/daughter's name, image or an image of his or her artwork being used in the manner described above.
